

ALUDOC IS A CONTRACTOR MANAGEMENT SOLUTION. IT SOLVES AND AUTOMATES YOUR ADMINISTRATION TASKS.

CENTRALIZE YOUR DOCUMENTS

Enterprise, contracts, persons and vehicle documents can be easily stored. Find out when they are about to expire.

MANAGE YOUR VEHICLES

Register your vehicles, upload its documents and even define authorized drivers.

MANAGE YOUR EMPLOYEES

Add your employee's information, attach a photo and save the documentation they need to have according to your requirements.

CONTRACTS MADE EASY

Declare your contract, define its task and requirements and automate document control in your employees.

NOTIFICATIONS

Anticipate to the expiration of documents before they happen. Receive notifications from the website or by mail and relax while the documentation is well controlled.

USER PERMISSIONS

Create users with full control over which task can and cannot be done

INTEGRABLE WITH 3RD PARTY

Integration with 3rd party software, if you have or use a software contact us and we'll integrate with you. Also we provide easy APIs if you prefer to do it by yourself.

LENEL COMPATIBLE

Our products are seamlessly integrated with Lenel's OnGuard control access platform.

ALUTEL MOBILITY SUITE
